

McNeely Bulletin

Always remember at McNeely, we care about each other, we care about ourselves and we care about this place.

Weekly Feature- Colour Teams!

This year we have been doing a lot of activities outdoors. We have not been able to play basketball games against other schools or go to our district track meet. We wanted to create some fun challenges for the students instead so we have divided each class into 4 colour teams and the students are competing head to head in their division (or sometimes against others in their cohort) in the following activities: Minute to Win it challenges; Amazing Races, scavenger hunts. All of these activities are for points and the point totals are being kept in the front of the school and will be updated each week. Thanks to the staff for their leadership on this. Go Team!

Pop-Up Library- Outdoors!

On Tuesday this week (and future dates as well), some of our intermediate students helped to set up and run an outdoor library where students could take out books. What a great idea! Thanks to all of those involved.

Welcome to Kindergarten Was a Big Hit

It looked like it was going to rain, so we set up a tent outside where we were having our future kindergarten students come a couple at a time to meet our

kindergarten teachers. The students made name-tags and played on the playground. They all got to go home with a bag of “goodies” like books, sidewalk chalk and a bubble wand. We are looking forward to having all of the students we met here with us next year.
