BULLETIN #16 - MAY 11, 2017

Message from the Principal:

Many, many hours have gone into the planning and organizing of tomorrow's Family Fun Night. We appreciate all of the volunteers and the members of the PAC for supporting our school with their time and hard work. Thank you! We hope all of our families can attend, bring your friends and relatives, too!

There are a couple of programs that we are offering next year that could also use your support:

ONE TO ONE – A Children's Literacy Program

Our school is very fortunate to have the benefit of a volunteer reading program called ONE TO ONE Literacy. ONE TO ONE's trained volunteer tutors work with students on an individual basis to increase their reading confidence and to practice their reading skills. The one-to-one reading sessions take place within the regular school day at our school.

Students who participate in this program are selected by their teachers. Students are identified as needing to practice reading and boost their literacy skills. Typically, each student spends approximately 30 minutes two times a week with a volunteer tutor, in a relaxed environment where it is okay to take risks, make mistakes, and learn at their own pace. There is no cost to students to participate.

If you would like more information about ONE TO ONE or wish to volunteer with the program, please visit the website: www.one-to-one.ca.

Roots of Empathy
Racines de l'empathie

Roots of Empathy is a program that promotes the development of empathy in our students by having a baby teach them! The parent and baby visit the classroom once a month throughout the school year. We observe the baby's development and milestones. We sing to the baby and ask the parent questions about her sleep, eating and other habits and routines. We watch as the baby and parent show their deep connectedness and attachment. We are looking for a parent and baby aged 2 – 4 months in September 2017. If you are interested, or know someone who might be, please let Mrs. Paxton know.

SILENT AUCTION
