NO MATTER WHAT

Traffic Safety

Our parking lot gets very busy at drop-off and pick-up times. **The front parking lot is designated for staff parking. Families may park in the Visitor's Lot (by the park).** We encourage everyone to walk or bike to school and kindly remind drivers **there is no parking in the Drive-Thru Lane.** *Thank you for using caution and reducing your speed to help keep our students safe!*

Forms and Notices

As we settle into our classes for the year, teachers will be sending home lots of information. We kindly request families to review and return any forms that come home.

School Supplies and Student Agendas

Information regarding school supplies, fees, and student agendas have been sent home along with a package of forms. Please return all completed forms to your classroom teacher.

MyEd Parent Access

Parents and Caregivers may have received an email with parent login information for the MyEd system last week. The MyEd system is currently **INACTIVE** for parents. Attempts to log in will result in an error message at this time. The MyEd Parent Portal will become active in the coming weeks. Thanks for your patience.
