Student Attendance

We have seen an increase in the number of student late arrivals. Our teachers open their doors at 8:40AM and instruction begins promptly at 8:45AM. It is very important for our students to arrive on time for school so they can settle into their classrooms and be ready for learning with the rest of the class.

February is

INQUIRE!

What is Black History Month, and why does it matter?

What is Black History Month? Why do we celebrate it?

The United Nations declared 2015-2024 to be the International Decade for People of African Descent. Black History Month in February is a time to reflect on the stories, experiences and accomplishments of Black Canadians. During Black History Month, Canadians celebrate the many achievements and contributions of Black Canadians who, throughout history, have done much to make Canada the culturally diverse, compassionate and prosperous nation it is today.
