HEALTHY SCREEN TIME GUIDELINES AND RESOURCES

Summer Break is almost here, and with it comes more unstructured time for families to enjoy together and for children to engage in different activities and hobbies!

Children may also be spending more time enjoying digital activities on personal devices. The Canadian Pediatric Society has created a resource for Parents and Caregivers about [Healthy Screen Use at home](#).
You can access the site by clicking [here](#).

Media Smarts also has a helpful resource about managing Video Games at home that shares tips for how to choose good quality video games for your child and how to **manage video game playing time**.
[Click here to access the Managing Video Game Playing Tip Sheet for Parents and Caregivers.](#)

Looking to set up **house rules for online privacy**? The **Privacy Commissioner of Canada** has created a tool to help families with this.

**Discount Code for
McNeely Families!**

We have a new code available that provides a \$25 discount for a full camp week at our Richmond Camp.

Each time the code is used, this would give the registering family a \$25 discount for a full camp week and your PAC a \$25 donation at the end of the summer for each week registered. If 100 families sign up for one week, that would be a \$2,500 donation to your PAC and \$2,500 in savings to families.

Code: PAC25

The code can be used more than once by each family to register campers for multiple weeks and for multiple siblings.

The code is valid for our 5-day camp weeks (Monday-Friday) as well as our 4-day camp weeks (June 29-July 3 and August 4-7). The code cannot be applied to individual dates scattered over multiple weeks.

The camper must be from your school and register for the Richmond Camp in order for the code to be applied toward the discount for the camper's registration and the donation to your PAC. There is a spot on our registration form where families can write the name of the school their child attends.

When registering, families can include the code in the applicable section on their registration form, which is available on our website.
