The Holiday Season is Around the Corner!

Divisions 2,3,8, and 9, have already been busy decorating giant baubles for Christmas trees at McArthur Glen Mall. The mall was interested in showcasing student art and these classes did not disappoint! Our older students chose to highlight winter animals and younger students chose to focus on the theme of 'Family.' This type of artwork demonstrates how arts education can bring communities together for a shared purpose. We are so fortunate to have these opportunities, at McNeely, and to share our work with the wider community. Thank you to our teachers for making this happen.

Season of Sniffles

Please be reminded that if your child is sick, and to prevent the spread of illness, they should stay home. Fevers and stomach bugs require 24 hours symptom free before returning to school. Our school community appreciates your diligence with this as we try and keep everyone as healthy as possible.

Lost and Found

Our lost and found is overflowing. Jackets, hoodies, and shoes, OH MY! Please come by and gather your belongings. Parents you may want to take a peek, there are many items that are unclaimed.

Cold Weather

Cold weather is upon us. At McNeely we play outside rain or shine. Please ensure children arrive with appropriate clothing for the day. Jackets, hats, umbrellas and boots are all helpful for playing outside comfortably.

Make Someone's Day

McNeely Mustangs are on a mission to notice who is making someone's day. We are thinking about what we might do to improve the days of those around us. Simple things such as saying hello, giving a high five, smiling at someone, or opening a door can go a long way in making someone feel good.

When students see acts of kindness or experience them, they are encouraged to write them on a Post-it Note and place it in the foyer. It's joyful watching the number of loving acts grow each and every day.

PAC

We are so fortunate to have a PAC that goes above and beyond to support our school community.
