## Sports Day June 14th

Sports Day is around the corner! This is an exciting time for McNeely! Students will wear their team colours and participate in a day of creative and collaborative events! Please note, if it is raining we will have the event indoors. Sports Day will also be a pizza hot lunch day!

Our Grade 7 Farewell is right around the corner. This is a special opportunity for the community to recognize the milestone of closing the elementary chapter and starting high school. Families of Grade 7 students are welcome to join us on June 27 at 9 am to celebrate this momentous transition for our Grade 7 students.

### PARKING LOT REMINDERS:

Our parking lot continues to be a busy place at drop off and pick up. We ask that families please consider parking on the street, walking, and or biking to school when possible. The drop-off lane is intended for drop off or pick up and not for getting out of the car.

Additionally, we ask that people do not idle their cars in the parking lot or the drive through lane.

Keep in mind we have limited space in our parking lot and it is not possible for all families to be in the lot at one time. With that in mind, we ask families to demonstrate patience when dropping off and picking up their children and know that student safety is our number one priority and that might mean waiting for it to be less congested to enter the parking lot.
