Traffic Safety

Our parking lot gets very busy at drop-off and pick-up times. **The front parking lot is designated for staff parking. Families may park in the Visitor's Lot (by the park).** We encourage everyone to walk or bike to school and kindly remind drivers **there is no parking in the Drive-Thru Lane.** *Thank you for using caution and reducing your speed to help keep our students safe!*

Cross Country Fun Run

The District Fun Run is taking place on October 22 at Garry Point this year. McNeely students Grades 1 through 7 are invited to practice their long distance running at lunch time with Mr. Unger and Ms. Ng! Remember to return your permission slips to Mr. Unger or Ms. Ng!

Running practices take place on Wednesdays and Fridays each week, rain or shine! Please remind your children to wear running shoes and to come dressed to run in any weather.

Further information and permission forms to attend the Fun Run at Garry Point will be coming home soon!

Breakfast Club (Wednesdays and Fridays)

Our wonderful Breakfast Club Program is in full swing in the Gym on Wednesday and Friday mornings! Students and families are welcome to join us for toast, cereal, and milk.

There will also be some equipment stations set up for students to enjoy, after they are finished eating breakfast.

Students and families will exit through the Gym outside doors to go line up at their classroom doors at the end of Breakfast Club.

Come join us!

Community Fridge

Our Community Fridge program is continuing to be popular for our McNeely students. A supply of fruit, veggies, and other healthy items are available for students throughout the day, or until the day's supply is finished.

Teachers have been talking with our students about “need versus want” when it comes to items in the Community Fridge and how we can share the food in that fridge responsibly. We thank you for continuing these conversations at home to support our students in this important learning about how we care for each other and thoughtfully share resources.
