McNeely's Newest Team Members!

Please meet our newest team members!

As part of our continued efforts to reduce vehicle speed and increase pedestrian safety, new signage and markers have been placed.

RCMP Constable Tammy Walker also reminds drivers to slow down and there is no stopping in the 'No Stopping' zone.

Cones have been placed at the bend in the lane as you enter school grounds. The cones mark a NO STOPPING ZONE, to decrease congestion and increase visibility for drivers and pedestrians. The school bus also has a hard time getting through if vehicles are stopped there.

Thank you for your cooperation!

The Richmond Board of Education has partnered with Roots & Rivers Consulting to create a Strategic Plan that will guide the Richmond School District over the next five years. As part of the development of the 2025-2030 Strategic Plan, we are seeking input from students, staff, parents/caregivers, partner groups, and the greater Richmond community through a survey. Additionally, there will be four open houses and a virtual session. Feedback gathered will help shape the priorities that will guide the district for the next five years.

The online survey is anonymous and takes approximately 5-15 minutes to complete. All responses will be reviewed and analyzed to help refine our strategic priorities, and the collective input will be presented to the Board of Education as part of the engagement process.

The survey will be open until Sunday, February 23, 2025, and can be accessed by clicking the button below:

For more information and ongoing updates on the strategic planning process, please visit sd38.bc.ca/strategicplan.
