COLD AND FLU SEASON

We are at the height of cold and flu season! It is important to keep your child home if they are experiencing symptoms like fever, vomiting or diarrhea, a severe cough, sore throat, and congestion.

If a child feels unwell and is unable to carry on with daily routines and learning, it is best for them to stay home to rest and recover. This will also help reduce the spread of cold and flu in our school.

Proper hand washing and covering of coughs and sneezes will also help to reduce the spread of illness. We appreciate your support in reminding your child about these routines.

TRAFFIC SAFETY

Please remember to **SLOW DOWN**,
and there is **NO PARKING** In the
DRIVE THRU lane.

RCMP Constable Tammy Walker also
reminds drivers to slow down and
there is no stopping in the 'No
Stopping' zone.

Thank you for your cooperation!

The Richmond Board of Education has partnered with Roots & Rivers Consulting to create a Strategic Plan that will guide the Richmond School District over the next five years. As part of the development of the 2025-2030 Strategic Plan, we are seeking input from students, staff, parents/caregivers, partner groups, and the greater Richmond community through a survey. Additionally, there will be four open houses and a virtual session. Feedback gathered will help shape the priorities that will guide the district for the next five years.

The online survey is anonymous and takes approximately 5-15 minutes to complete. All responses will be reviewed and analyzed to help refine our strategic priorities, and the collective input will be presented to the Board of Education as part of the engagement process.

The survey will be open until Sunday, February 23, 2025, and can be accessed by clicking the button below:

For more information and ongoing updates on the strategic planning process, please visit sd38.bc.ca/strategicplan.
