McNeely Pumpkin Carving

Our McNeely Pumpkin Carving Event is taking place at the end of this month! This highly-anticipated McNeely tradition is an event that brings our students together, fosters leadership in our older students, and strengthens our school community.

Some classes will be going on a pumpkin patch field trip where students will be choosing a pumpkin to carry home. **If your child's class is not scheduled to go to the pumpkin patch, families are encouraged to help students select a pumpkin from another source that the student can carry to school on their own.**

More info about how to prepare your child's pumpkin for our October 31st event will be sent home in the coming days.
